Here are two upcoming events I think you will enjoy:

Glendale Youth Encouraged To Serve

High School Students Are Invited To Apply To Serve On The Mayor's Youth Advisory Commission. Mayor Jerry Weiers is seeking new members for his Mayor's Youth Advisory Commission (MYAC). MYAC provides high school students with opportunities to make a positive impact in Glendale by getting involved in their local city government and community. Youth commission members volunteer for community service activities, raise funds for projects and serve as a liaison to the mayor as the foremost voice on local youth-related issues.

Commission members must commit approximately five hours per month to attend meetings and participate in activities. Standing commission meetings are held each month at Glendale City Hall. To be eligible for the competitive selection process, teens must reside in Glendale and be enrolled in high school for the 2015-16 school year, and must submit a completed membership application.

Applications can be downloaded at www.glendaleaz.com/mayor/myac.cfm. The deadline to submit an application is Friday, August

Upcoming City Events

Hello Kitty Festival Tickets Donated to Children's Summer Reading Program. The Glendale City Council announced the city's suite tickets for the Hello Kitty Super Cute Friendship Festival at the Gila River Arena will be donated to Glendale libraries as a reward to participants in the summer reading program. Each of the three library branches will receive four pairs of tickets to be raffled to participants who successfully complete the entire summer reading program. Ticket winners must be under 18 years of age and Glendale residents. A parent or guardian must pick up the tickets from the library and be able to prove residency through a water bill or driver's license. For more information about Glendale's libraries and their array of programs, visit www.glendaleaz.com/library.

Learn more about the West Phoenix/Central Glendale Transit Corridor Study. Valley Metro has initiated a transit corridor study for the West Phoenix/Central Glendale area to identify high-capacity transit service options to connect downtown Glendale to the existing light rail system. In partnership with the city of Glendale, city of Phoenix, and the community, the study will determine a route location and type of transit (light rail or bus rapid transit) that will serve the area between 19th Ave. to 67th Ave. and Northern Ave. to Camelback Rd. To learn more about the project and view the routes under consideration, visit www.valleymetro.org/Glendale.

Glendale Offers Free HOA Training. The city of Glendale is continuing its partnership with Mulcahy Law Firm to offer another HOA Academy this fall to residents. This unique opportunity provides Glendale residents and HOA leaders an opportunity to learn about relevant issues facing neighborhoods and learn answers from specialists in the field. The curriculum for this four week series is derived from top concerns and requests made by Glendale HOA leaders. The curriculum for this series includes:
